

My Personal Guarantee

One of the things I hear the most from people who have been through the loan process before, is how everything changed for them at the closing. Some companies offer borrowers a great interest rate with low fee's only to find out at the end of the process that their rate and or fee's have changed. I am giving you my personal guarantee that what you are offered, is what you will receive .I guarantee it.

We look forward to working with you.

Sincerely,

Blair Lamphier
President
